#### Visit Heritage Park and Museums!

Dublin's historic park provides a picturesque environment to walk, relax, picnic, play and explore Dublin's heritage. On the park grounds is the 1856 Murray Schoolhouse which features a hands-on exhibit of Dublin's story from the early Pioneer days through Cityhood. You will also find the Kolb House, a Craftsman Bungalow, which features all original "Arts and Crafts" style furniture and household items that the family used between the years 1864-1957. Volunteer docents guide visitors through the rooms of the Kolb House.

The park is also home to a number of other historic buildings renovated for recreational use. The Sunday School Barn, a Dublin landmark, offers a venue for theatrical presentations, concerts, barn dances, classes and events. The rustic Old Kolb House serves as a ceramics and art studio. The 1859 St. Raymond Church, one of California's oldest churches, also hosts concerts and can be rented for weddings or other private events. Gardens, picnic tables and walking paths complete the park and provide areas for recreational use.

#### Group Tours

Docent led tours for ten or more persons are available for \$3.50 to \$5 per person, and may be arranged by calling (925) 452-2100.

#### Tea and Lemonade Tours

Make the most of your visit and relax with a leisurely pot of tea or pitcher of lemonade after your tour. \$15 per person includes tour, tea or lemonade and a platter of cookies. A minimum of 4 people (or \$60) required. Tables are available for two, four or six. Please call (925) 452-2100 to make a reservation.

## Private Tennis Lessons

Private tennis lessons for youth or adult players are available at all Dublin public tennis courts. Please go to [www.dublinrecguide.com](http://www.dublinrecguide.com) to learn about the Arora Tennis instructors and different half-hour and hour options. Tennis lessons are in packages of three sessions.

**Quick Start Tennis**

Quick Start Tennis works by getting children involved in the game immediately. Specially designed portable net systems and color-coded balls created by the USTA (United States Tennis Association) have revolutionized the game for beginning players. Within the first hour of stepping onto the court, children are playing the game, rallying with one another, moving around the court, and having fun. Scaling the game and court down to their size helps make the learning process easier and more fun. These classes give children confidence by seeing their own immediate progress, making them more enthusiastic about continuing to play and improve. Instructor/student ratio for Regular Groups is 1:6, and 1:3 for Small Groups.

**PERFORMING ARTS****Sideways Stories from Wayside School**

You can imagine the confusion at Wayside School when the builder made a terrible mistake...instead of building 30 classrooms side-by-side, he built them one on top of another. Maybe that accounts for the wacky goings-on in Mrs. Jewls' class. Where else will you find children being turned into apples, dead rats wearing raincoats, and little girls who try to sell their toes? Everyone is cast. We play theater games to increase confidence, and work heavily on character development for the show. Additional rehearsals will be held on 12/17 & 12/19.
